Bishop's Message

I am very glad to know that students of Sahrdaya College of Advanced Studies (SCAS) is pressing forward day by day in the curricular events. The first year university results (100% Result) and the splendid success in the D-zone competition attest to this reality. Happy to see the active participation of the members of SCAS family in the arts and sports internal competition held in the college. Deeply appreciate the different faculties for their

earnest efforts to conduct very inspiring and informative seminars on various topics.

Sahrdaya Mega Fest was a mega event which promoted the cooperation and collaboration among the Sahrdayans, well wishers, benefactors and the people of the vicinity irrespective of caste and creed. May I take this august opportunity to share some reflections. Abraham Lincoln rose from the humble beginnings to the highest office of a country President of USA by hard work and strength of

character. Sachin Tendulkar in his emotional goodbye speech told, 'Chase your dreams and don't find shortcuts'. Make use of your time maximum for earning intellectual knowledge and practical wisdom with great and good intention. **Strength** of character gives timeless beauty to a person. **Trustworthiness** (by being loyal to your family, friends and country), **Respect** (by being tolerant and accepting of differences) **Responsibility** (by being accountable for your words, actions and attitudes), **Fairness** (by being open-minded and having a listening mind to heed others), **Caring** (by being compassionate to the least, the lost and the last) **Citizenship** (by being obedient to authorities and laws and rules of the State) are some of the values one has to cultivate in their younger days. May God bless you for the same. Exams are fast approaching. Keep a healthy body and sound mind to strive for a genuine success.
