Sahrdaya College is a special place. Our faculty is committed to student learning and goes to extraordinary lengths to make sure this is our highest priority. It is a community motivated and directed by our mission statement to broadly educate students in science, commerce, mathematics, humanities and arts, with the hopes of equipping them for ethical decision-making in leadership roles, wherever their life journeys take them. The faculty at SCAS embrace this mission and strive to make it a reality through the development of innovative pedagogies, offering opportunities for student research, engaging students in the nationally recognized programme and challenging students to develop an informed world view that will make them responsible citizens in the twenty-first century.
