## Executive Director's Desk

It is a matter of pride to pen down the message for LAUREOLA . My heart fills with immense pleasure as I perceive the progress being made at Sahrdaya College of Advanced Studies. The seeds of an idea sown in December, 2011 has quickly come to fruition, and the College is growing into strong sapling. It is the endeavour of the Team Sahrdaya to make the academic like, a smooth journey full of joy and discovery. Laureola is a platform for the students to express their creative pursuit which develops in them originality of thought and perception. The Contents of the magazine reflect the wonderful creativity of thoughts and imagination of Sahrdayans. I extend my warm wishes to the Principal, Staff and Students of SCAS for continuing this journey on the road of excellence.

"May the sapling grow into a sturdy tree and spread its branches.

## Associate Executive Director's Desk

Sahrdaya as a family has welcomed me to its little victories—Laureola. This newsletter is witness to the events and achievements of 2018-'19. I've been privileged to be an incumbent this year and penning down my message brings a sense of pride and enthusiasm. The students have proved themselves yet again with the university exam results coming out colourfully with top ranks. Sahrdaya incessantly strives to provide appropriate interventions that leads to an all-round development in the students. As A. P. J. Abdul Kalam, "If you want to leave your footprints on the sand of time do not drag your feet.." I wish everyone at SCAS all success to move forward without any inhibitions and sure-footed towards reaching your dreams.
