SAHRDAYA LINWAYS ACADEMIC MANAGEMENT SYSTEM

A REFRESHING LEARNING EXPERIENCE

Connect to campus.. Connect to Learning..

We believe in mentoring our students, on and off the campus. Amidst the panic created by COVID-19 pandemic, facilitators and learners are together on the Sahrdaya-Linways Learning Management System. This interface keeps the learners intellectually engaged and academically refreshed in the comfort of their homes, while the facilitators explore the Work From Home alternative.

Sahrdaya Linways AMS streamlines Admission process, Academic workflow and Learning process. A multi-beneficiary internet based digital repository, the AMS is participatory in nature, linking teachers, students and parents. Requirements of Outcome Based Education are fulfilled through user friendly interfaces, easy navigation tools, activity logs and end-user reports. Unique log in accounts are created for users. Student attendance (weekly/ monthly/course wise) management, courseware sharing, online assignment submission, online assessments and exams, evaluation reports and rank lists are some of the key features. Parents have access to student attendance interface as well as exam reports. Notifications of activities and events will also be regularly posted. Teachers and students can make use of the college library facility through AMS. Designed to make work and study flexible, the platform aims at refining the ICT skills of users and make them digitally competent, in addition to creating a transparent, collaborative and automated teaching-learning environment to upskill classroom based methodology.

COLLEGE PRAYER

As the deer panteth for the water
So my soul longs after you
You alone are my heart's desire
And I long to worship you

You alone are my strength, my shield
To you alone will my spirit yield
You alone are my heart's desire
And I long to worship you

I want you more than gold or silver
Only you can satisfy
You alone are the real joy giver
And the apple of my eye
