Report of Activities of Sahrdaya College of Advanced Studies during the period June 2021 – May 2022

With the blessings from Heavenly Patron “Sacred Heart of Jesus” and with the guidance and support of our Chairman, Trustees, Advisory Board and Academic Council Members, Teachers, Parents, Well - wishers, Staff and students we could continue to maintain good reputation among Arts & Science Colleges in the State. I am glad to present the Report of Activities of Sahrdaya College of Advanced Studies for the Academic Year 2021 – 2022

INTRODUCTION

Sahrdaya College of Advanced Studies, Kodakara has started functioning from 28th June, 2012 with four currently relevant Programmes such as B.Sc. Psychology, BCA, B Com and BBA. Now, in this academic year 2021-‘22, there were 16 programmes in UG level and 6 programmes in PG level.

Sahrdaya College of Advanced Studies (SCAS) founded in 2012, a constituent Institution of IDET (Irinjalakuda Diocesan Educational Trust), is a leading college for Arts & Science in South India, affiliated to Calicut University and approved by Government of Kerala. Managed by Syro-Malabar Catholic Diocese of Irinjalakuda, Mar Pauly Kannoorkadan, Bishop of the Diocese as its Chairman, and functions with the blessings of the Founder Chairman Mar James Pazhayattil, Premier Bishop of the Diocese of Irinjalakuda. SCAS aims to deliver customized corporate & executive education that provides a contemporary & relevant learning experience for students. The institution sets a benchmark to shape up professionals for touching the highest echelons in professional growth.

REMEDIAL CLASSES

Remedial classes are given to the weaker students according to their performance in the class as well as exams. Through sessions teachers give proper instructions which help them to improve their academic excellence.

VALUE EDUCATION

Through Value Education we aim at helping our students by transmitting the ideologies of the socially acceptable values stated and acquired by knowledgeable people. The sessions dedicated to value education, revolve around topics that develop student - awareness to respect human values and to enhance their personality. Value education exams were conducted subsequent to intensive classes and marks were sent to the University as per the norms.

The Department of Value Education headed by Dr. Abraham J Vallath oversees the Value Education Programme offered by Christian Chair, University of Calicut. Apart from this, DOVE also organizes value education sessions from time to time. The initiatives of DOVE are AICUF, Jesus Youth, Tutorial System, Sahrdaya Social Service, Counselling and Monday Meal.

ADD ON COURSES

Students are encouraged to have fun with words, sounds, spellings and structures including crosswords, quizzes, guessing games, creative ideas and presentations, Teamwork activities, problem solving thereby teasing their linguistic brain centres and developing a profound interest for necessary Skills. ADD-ON Courses deviates from the usual run of courses and it aims at generating better equipped and skilled individuals with critical and creative acumen for entry into various sectors.

(SEEP) Sahrdaya Employability Enhancement Programme

Team

CET (Competitive Exam Training)

The programme helps students to excel in competitive world and proposes to spot their talent early in life and nourish them to bloom in full might. Competitive exams are extremely important in today's world because success and failure makes a big difference to the career of a student. All students besides basic academics would be trained for different competitive exams with focused and rigorous training in Quantitative Aptitude, Logical Reasoning, General English and General Awareness.

ASAP (Additional Skill Advancement project)

English aptly called the Universal Language, has now become a major requisite for entry in professional job and thus plays a very important role in shaping the destiny of a student. Personal, Social, Organizational and Professional Skills and English Proficiency are the major areas that need to be strengthened. ASAP aims towards imparting effective communication skills, language proficiency and skills (Soft and Hard Skills) required for employability and better performance at the workplace and are designed to help students to overcome their inhibitions and to identify their strengths and weakness and to develop abilities and aptitudes that are essential for success in the Personal, Social and Professional spheres of life.

(SS) SOFT SKILLS

Soft Skills covers a wide range of topics such as:- Positive Attitude towards oneself and towards the group, Moral Values, Taking Ownership, Team building skills, Leadership, Body language, Time Management, Stress Management, Interview Techniques, Group Discussions and Debates, Presentation Skills, Personal Accountability, Professional ethics and Code of Conduct.

SCS (Student Counselling Service)

Student Counselling Service aims to help the students gain understanding and insight into any difficulties experiencing, to develop emotional resilience and put into effect real change, enabling them to fulfil their potential. This Service is a very vital programme of the education team. They help all students in the areas of academic achievement, personal/ social and career development.

With peace in my mind, freedom in my soul and pride in my heart: The NSS Unit of Sahradaya College of Advanced Studies celebrated 73rd Republic Day

The Ceremony was started with prayer song. The welcoming address was given by Mr. Anoop M.R (NCC programmer officer). Dr. Fr. Davis Chenginiyadan (Executive Director Sahrdaya College of Advanced Studies) hoisted the Indian flag and gave a thoughtful message for the auspicious day. The Presidential address was given by Dr. Mathew Paul Ukkann (Principal). Dr. Fr. Anto Vattoly felicitated the function. The Vote of Thanks was given by NSS programmer officer Mr. Akhil Anto.

On this pandemic time, the NSS volunteers decided to distribute Covid prevention kit to the society. The NSS volunteers sanitized two Panchayath (Kodakara And Aloor) and distributed surgical masks to the society.

The first destination was Aloor panchayat, the volunteers gave sanitizer and the mask to the peoples who were in the bus stop, auto rickshaw stand, people who were passing by. The masks were distributed to those who didn't have mask and those who were covering with a piece of cloth. The next destination was Kodakara panchayat, there the volunteers distributed sanitizer and masks to the auto rickshaw drivers, to the pedestrians, to the shop keepers and to the customer.

The world has never been in so much need of help as now. It has been over two years now and humankind is still battling with the corona virus. Hundreds of thousands of lives have been lost, and the world economy has been reeling under the impact. The world has suffered from unprecedented misery, and surge after surge of new variants have been posing new crises. It has been an extraordinary challenge to humankind. A time of crisis has also made us appreciate how we all Indians are connected as one family.

The time of social distancing has brought us close to each other. We have realized how much we depend on each other. Doctors, nurses and paramedics have risen to the challenge, working long hours in difficult conditions even at the risk of their lives to attend to patients.

Others have kept the nation moving, managing supply chains and utilities. The leadership, policy-makers, administrators and others at the central and state levels have made timely interventions. Along with the celebration, the NSS volunteers gave the message to the society to use sanitizer and the masks, maintain social distance.

The NSS unit of Sahrdaya College of Advanced Studies has yet again proved being a help for the need. On 21st February, the NSS unit of Sahrdaya College of Advanced Studies made a visit to a tribal colony.

Journey towards the destination was completely filled with sharing each other's thoughts about how to make this visit more helpful. Being in a forest area, the travelling was mesmerizing and calming. Reaching the destination the students really interacted with the families living there hearing their difficulties and being the best listeners and consoling them to their certain concerns.

The programme started with a welcome speech by the programme officer Mr. Akhil Anto which was followed by the presidential address by the range forest officer Mr. Shameer P.M. He shared certain tips about forest, wildlife and the tribal culture of that area. Then Mr. Rajesh shared the need and importance of the PSC and other national exams conducted in our country. Then the students along with the teachers gathered the family members to distribute meal for them. Students interacted with the people and had a memorable day. And by thanking the natives for their kind gestures, the unit travelled back to the college with a bunch of memories and a whole new experience. A total of 51 NSS volunteers participated in the event.

On 8th of March 2022, the NSS unit of Sahrdaya College of Advanced Studies, Kodakara along with St. James Nursing College, Chalakudy and St. James College of Pharmaceutical Science, Chalakudy celebrated Women's Day.

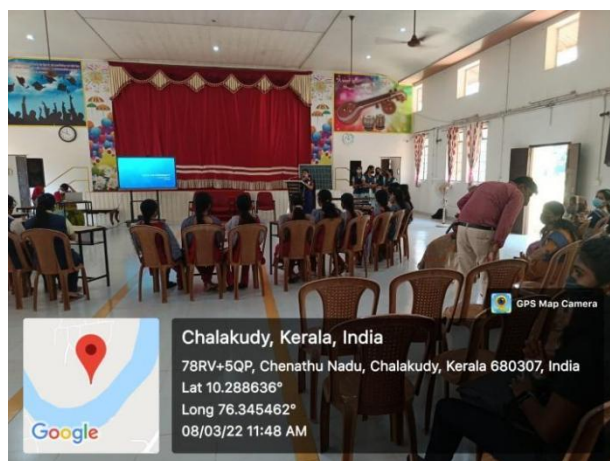

The programme was held in different places from Chalakudy town to St. James College campus. Different activities were conducted for the students as a part of Women's Day.

The programme started with campaigning which is followed by a rally from flyover of Chalakudy town. This rally was accompanied by all the three colleges' along with their respective mentors.

In the town, the colleges performed their well-prepared programs from flash mob to street dance even from the limited time given to them, they still managed to show off their best performance ever and made the cultural part of programme a huge success.

The remaining part of the programme was held in St. James campus with the quiz at the first half with 9 teams, with Sahrdaya College winning with 3rd prize and along with the debate in second half, regarding on the 2 topics the first one being "Toys should be gender neutralized" and the second being about "Arranged marriage and Love marriage" in which 4 teams participated equally.

The programme was concluded with concluding statements by the Programme Officer Mr. Akhil Anto and a total of 47 NSS volunteers and 23 PG students participated in the programme.

The NSS Unit CUSFNSS002 of Sahrdaya College of Advanced Studies Kodakara conducted an anti-tobacco awareness programme on 31st March 2022 at Kodakara panchayat. The alumni who played the pivotal role in the association was Mr.Jeeson T R, a recruitment associate at Byju's, as well as an alumni of the 2016 - 19 BCA batch. The main audience consisted of all students from both the BCA , BSc CS and BSc IT classes.

The main topics discussed were about the different college placement and employment opportunities that were available for the students after graduation. Many common myths about the different job and degrees were also discussed during the session.

A Q &A session was also done where the students interacted with the alumni and asked questions regarding the employment opportunities as well as several doubts regarding the job sector.

The key questions were asked by the following students:

- Anagha S. – BSc CS II year
- Rohith P. S. – B Sc CS II year
- Krishnakamal M – BSc CS III year
- Alan Shaju – BSc CS II year

representative Krishnakamal M. The event concluded at 8:00 pm.

In order to bring about positive change among the rural people in Kodakra Grama panchayat, including other marginalized community members, Sahrdaya has initiated computer education and skill development programs in rural areas. Through this training programme, Sahrdaya aim to provide free as well as low cost computer education to students and job seekers coming from marginalized section of the society.

Programme Structure:

Mobilization: 10 days

Orientation: 2 Days

Training: 15 Days

Certification

Topic: Basic IT and Office Automation with practicals.

Mr. Renjith, Ms. Jayamol, Ms. Rosalind and Mr. Sivakumar from Sahridaya visited Kodakra Grama Panchayat for introducing the IT @ Village Project on 12 April 2021. Ms. Ambily Soman, Panchayath President and Ward member were present in the meeting. Panchayat Precedent helped us to present the programme in CDS Meetings. Panchayat member visited our centre on 13th April 2021. After the successful mobilization we received applications from the people of Kodakara Grama Panchayat. We got lots of enquiries from housewives, students, school drop out, etc. Selected 12 trainees for the 15 days training programme. Due to pandemic restrictions the batch started on 22nd Nov 2021. The programme inaugurated on the same day by Executive Director Fr.Dr.Devis Chenginiyadan. Mr. Renjith, Dept. of Computer Science gave an introduction about IT@ Village project.

Ms. Jayamol P J started the training session with basic IT Introduction. Ms. Rosalind Manjooran, Dept of HED addressed the trainees.

Teachers from the Department of Computer science depart took various sessions for them. All trainees successfully completed the training programmes in December 2021. The dept Organized IT@Village a Computer Literacy Program on 31st May 2022 at 2pm in AV room. The function was officially inaugurated by the honorable president Smt, Ambily Soman. Ms.Jayamol P.James (Asst. Professor, Dept. of Computer Science) welcomed all the participants and gathering.Mr Renjith (CTO) gave a brief introduction about the program. Fr.Dr. Devis Chenginiyadan (Executive Director, SCAS).and Dr.Mathew Paul Ukken (Principal, SCAS) addressed the gathering.. Certificates and Trophies were distributed to the participants. Mrs Shyambhavi Rajan and Mrs Shalini Ratheesh the student participant gave their review about the program. The session was concluded with vote of thanks by Dr.Rani M.J.Vice Principal.

On behalf of the National Science Day on February 28, the Science Departments of Sahridaya College of Advanced Studies, Kodakara, had decided to conduct an online fest SPECTRA 2022 for the students of the college. The registrations for the online fest were through Google Forms and preparations for the same were done in cooperation with both the students and the departments. As part of SPECTRA 2022, the Computer Science Department conducted three events consecutively

from 25 February 2022 to 27 February 2022. The first event was ZOGRAFFIC, a Digital Drawing Competition, that was conducted on 25 February 2022 at 7:30 pm. The competition was conducted via the online medium of Google Meet, with constant observation of the competition provided by the students and teachers. The competition lasted for two hours and concluded at 9:30 pm. The participants submitted their submissions via Whatsapp and the best were chosen from them. The second event was ROGO KUIZO, a Digital Logo Quiz competition, that was conducted on 26 February 2022 at 7:30 pm. The competition was conducted via the website flexiquiz.com and consisted of three rounds, with each round eliminating participants as necessary. The competition lasted for 30 minutes and the winners were decided based on the scores. The third event was LOCIZO IDEANO, an Innovative Idea Presentation, that was conducted on 27 February 2022 at 7:30 pm. The competition was conducted via Google Meet, where the participants presented their innovative idea with the assistance of a PowerPoint Presentation. The competition lasted for 30 minutes. The competition was evaluated by the students and a winner was decided accordingly. The Executive Director, as well as the Principal and Vice Principals were present at the function, and they also distributed the prizes and certificates to the winners of the SPECTRA Online Fest 2022.

Department of computer science Organised a Colloquium on “Reinforcement Learning” by Dr. Aman Kumar Technical Consultant IBM Singapore on Wednesday, 25 May, 2022 Time: 09:30 a.m-11:30 a.m in collaboration with IQAC, Sahridaya College and Technova.

The session was officially inaugurated by Fr..Dr. Devis Chenginiyadan (Executive Director, SCAS). Dr. Mathew Paul Ukken (Principal, SCAS) delivered Principal address. Ms. Sabitha P.C (HOD, Dept. of CS&IT) welcomed the all the participants. Dr. Manish Kumar Jain, International Corporate Trainer and Technical Consultant introduced the resource person. In the technical session he gave a complete overview about Reinforcement Learning and how much it is connected with our day today life . The session was concluded with vote of thanks by Ms. Jayamol P. James (Asst. Professor, Dept. of Computer Science). Students from computer science dept and faculty from our college have attended the colloquium . More than 150 participants attended the session.

DEPARTMENT OF PSYCHOLOGY

As planned online classes started on 1st June 2021. Internal Exams for PG students (II Semester M Sc Students) were conducted in the month of June. Class on APA 7th edition was given to the PG students of Psychology. Add on started for V semester students started in the month of June.

II internal exams for II semester PG students and I internal for B Sc was conducted and Synopsis presentation was conducted on 3rd week of July . A webinar was conducted on the "Impact of Pandemic in interpersonal relationship".

Add on for PG & III semester UG students started in August. Submission of Journal work of PG students were carried out.Association inauguration was conducted in the month of September. A webinar on "Higher Education Today - A journey from Qualification to Quality" was conducted. A webinar on "Organization Behaviour" was also conducted.

In connection with World Mental Health Day- a talk on mental health awareness, Poster Making Competition and Essay writing were conducted. Inauguration of Faculty Development Programmewas conducted. Farewell for outgoing students was conducted. Model Exam, Model Practical Exam, Mock Viva etc were conducted for III year UG students.

DEPARTMENT OF HUMAN EXCELLENCE

Placement team provided special training on Interview and Group Discussion for the students got short listed in H&R Company .5 students have got placed. 'SCAS Placements' a whatsapp group started for sharing placement related news. An Environmental Quiz was held on 3rd June, 2021 in which many students from various departments participated. HED conducted a webinar on the topic "An awareness session on Waste Management" on 4th June, 2021 from 11:00 am to 12:30 pm. The session was handled by Mr. M.A. Baiju, Chief Environmental Engineer from Pollution Control Board, Eranakulam. SIGNATURE 2021 Saplings distribution Programme conducted by HED, Inaugurated by Kodakara Panchayath President Ms.Ambily Soman HED organized SKILL OLYMPICS a month long campaign related with International Youth Skill Day July 15.The first Programme of Skill Olympics was 'Skill Quiz' which was conducted on July 15.Second event was Skill Talk, a webinar. Webinar topic was "Skills and Success" on 23rd July, 2021 from 1:30 pm to 3:00 pm. The session was handled by Ms.Joice Mary Motivational speaker & Municipal Councilor Muvattupuzha. HED took over the responsibility of inaugural function of Sahrdaya Vaccination Drive Day on 30 July 2021. Inaugurated by Kodakara Panchayath President Ms.Ambily Soman HED Staff Participated in various webinars at National and International level and have also earned certificates for the same.HED staffs actively involved in covid cell events. HED organized Multiple Skill Contest as a part of SKILL OLYMPICS a month long campaign related with International Youth Skill.HED organized Teachers day online celebration on September 5th with different programs performed by students and teachers.VIVIFICA 2021 Bridge course for first year degree students conducted through online started on 30 September.VIVIFICA 2021 Bridge course for first year degree students conducted through online started in September continued on October 3, 4 and 5. On October HED conducted Academic year inauguration for all First year

students. His Excellency Bishop Mar Pauly Kanookadan and Chief guest Mr.T.P Sreenivsan had addressed the students.FUTURE FOCUS: The department of Human Excellence organized a 2 day Programme on 28th and 29th October, 2021 for all the first year students of B.A. and BSc batch to provide guidance in their journey towards professional success.VIVIFICA 2021 Bridge course for first year PG students conducted offline on 25/11/2021.MOTIVUS: Human excellence department organized a motivational seminar to the Second year students of BA, BSC and BCA on 1st November 2021 at Seminar hall.A motivational talk was also organized by HED on 1st November 2021 at 1.30 – 4pm pm.

Mr.Linto John; a well-known motivational speaker addressed the students in the afternoon session.FACULTAS EXCELLENTIA: Sahrdaya College of Advanced Studies, in collaboration with the IQAC and the Human Excellence Department, conducted a faculty Development Programme on 4th December 2021 in the Seminar hall. DEPARTMENT OF CHEMISTRY

The department of Chemistry, Sahrdaya College of Advanced Studies along with IQAC, organized a webinar on “Pathways to a Career Using Chemistry” on 06/07/2021 at 10.45 am through Google meet platform. Dr. Jorphin Joseph (Assistant Professor, Department of Chemical Oceanography, School Of Marine Sciences, CUSAT) was the resource person.

The program was started with a prayer followed by welcome speech of Dr. K.L. Joy (Vice Principal & HOD Chemistry). Fr. Dr. Devis Chenginiyadan (Executive Director, Sahrdaya College of Advanced Studies) inaugurated the program with his Presidential Address. Dr. Mathew Paul Ukken (Principal, Sahrdaya College of Advanced Studies) and Dr. Rani M.J. (Vice Principal, Sahrdaya College of Advanced Studies) delivered the felicitation addresses

After the felicitation, resource person provided the talk and it was followed by the discussion session. Ms. Sivaja B. Menon (Assistant Professor, Sahrdaya College of Advanced studies) gave the vote of thanks. Around 90 participants took part in this webinar.

Department conducted an online Quiz - GENOMICS 2021 on 13.08.2021 in connection with 150th Anniversary of the discovery of DNA. All the 2nd & 3rd year students participated in the programme. Certificates were distributed to the participants who scored above 60 %.

The PTA meeting for 3rd year B Sc Chemistry was held on 7th September 2021 through google meet. THE programme started at 6.30 p.m with a silent prayer and welcome speech by Dr. Joy K

L (Vice Principal & HoD Chemistry). Dr. Mathew Paul Ukken, Principal addressed the parents. Ms. Miby Thomas, Class Animator briefed on academic and non academic activities. Subject teachers Ms. Sivaja B Menon and Ms. Betzy Ritha K addressed the parents. Programme concluded by the vote of thanks proposed by Ms. Miby Thomas.

Department of Chemistry along with the Department of Physics conducted an intercollegiate Poster making competition in connection with Ozone Day observation on 15.09.2021. Many students participated in the competition from the college and nearby colleges.

An invited talk & Association inauguration "OPAIC 2021" was conducted on 15.09.2021. Mr. Roy K B, Assistant Professor, Department of Chemistry, SNGS College Pattambi was the resource person for the talk on topic "The Ways of Science" through online platform

The Chemistry Department of Sahrdaya College of Advanced studies along with St. James College of Pharmaceutical Sciences Introduces a Faculty Exchange programme and new add on course. The new add on Courses are "Basic Chemistry in Pharmaceutical sciences" provided by Sahrdaya College of Advanced Studies and "Pharmaceutical Chemistry" by St. James' College of Pharmaceutical Sciences. Inauguration of the faculty exchange programme and add on course was conducted on 29th October 2021 at 2.30 pm. The program was started with a prayer followed by welcome speech of Dr. Joy K L (Vice Principal & HOD Chemistry). Fr. Dr. Devis Chenginiyadan (Executive director, Sahrdaya College of Advanced Studies) gave the presidential address. The Programme was inaugurated by Rev. Dr. Antu Alappadan (Director, St. James' Group of Institutions). Dr. Mathew Paul Ukken (Principal, Sahrdaya College of Advanced Studies) gave the message. Rev. Fr. Manoj Mekkadath (Associate Director, St. James Group of Institution) & Dr. Rani M.J. (Vice Principal, Sahrdaya College of Advanced Studies) delivered the felicitations. After the felicitation, Message and key note address was given by Dr. K. Krishnakumar (Principal, St. James' College of Pharmaceutical Sciences). The programme was concluded at 4.00 p.m with a vote of thanks given by Ms. Sivaja B. Menon (Assistant Professor, Sahrdaya College of Advanced studies). The alumni association of the Department of Chemistry has organized a Interdepartmental quiz competition "CIPRO 2021" in connection with the discovery of chlorotetracycline. It was conducted on 29th November 2021 at 1:30pm. Ms. Chandni Panicker, alumna of B.Sc. Chemistry 2015-18 batch was the quiz master. Eleven teams comprising of two students from various departments has participated in the competition. It was a two stage competition which covered various Interdisciplinary areas of chemistry. Alumni members were also present to assist the quiz master. Four teams were qualified for the final round. Ms. Minna Rose Thomas delivered welcome speech during the award distribution. Fr. Dr. Devis Chenginiyadan honoured the winners and appreciated the alumni association for organizing the event. Dr. Joy K.L, HOD of Chemistry Department has expressed the words gratitude to the alumni association for making the event a grand success.

The winners of the competition are as follows.

First position: Arya M S and Emit Jaison (Ist year B.Sc.Physics)

Second position: Adarsh P S and Noel Joshy (IInd year B.Sc.Chemistry)

Third position: Nandhana Mohan and Sangeeth P S (Ist year B.Sc.Chemistry)

Department of Chemistry conducted an industrial visit to Aquatech polymer products & Carris Pipes and Tubes Pvt. Ltd. Akanad on 08.12.2021. The I V started at 9.15a.m. The students entered to the plant after security instructions. The processing techniques were well explained by the plant manager and the production manager. The main productions of the company are water tanks, pipes, flush tanks, tank covers etc. The polymer processing techniques behind these products were well understood by the students. Department of chemistry, Sahrdaya College of advanced studies conducted a seminar on the topic 'GLOBAL CAREER OPPORTUNITIES' on 16th February 2022 for B.Sc Chemistry students.

Mr. Sony Akkara, Career consultant and Executive director of Eazy Link academy was the resource person. The seminar started at 11.30 am with prayer. Vice principal and Head of chemistry department, Dr Joy K L welcomed the gathering with a formal welcome speech. Executive director Fr..Dr.Davis Chenginiyadan delivered the Presidential Address. It was followed by a message by the Principal Dr.Mathew Paul Ukken. The program concluded by 1.00 pm with a vote of thanks by student representative Ms.Anumariya P J from 3rd B.Sc Chemistry. Around 80 students participated in the program.The Alumni Meet was started on 20-2 -2022 Sunday at 10 a.m through online platform. Students from the 4 pass out batches attended the meeting. The programme was started with the prayer song of Ms.Aswathi S of 2018 Batch, followed by the welcome speech of Aiswarya Sunil Kumar of 2018 Batch. After that Dr.Joy K.L. Head of the department of chemistry delivered the presidential address. The function was inaugurated by

Dr.Mathew Paul Ukken Principal of the college. Felicitations were given by Ms.Jessy Tharian, Ms.Miby Thomas and from students side by Brother Antony,Brother Albin,Ms.Arya Devi(2016 Batch),Alkesh K,Anjali N U(2018 batch) . It was followed by solo song of Ambadi Manoharan from 2018 batch. Students from each batch self introduce themselves and also share their memories. Two representatives from each batch (A boy and a Girl) were selected as executive members.

2015-2018: Derin Denny, Gopika Pradeep

2016-2019: Alan Joy, Arya Devi K R

2017-2020: Anirudh G, Riyanka Prabhu

2018-2021: Alkesh K, Aiswarya Sunilkumar

It was decided to conduct another meeting for the selection of executives in an offline mode.

The solo of our faculty member Ms.Betzy Ritha K was really praise worthy. At the end vote of thanks was given by Jilmy George of Golden Batch .40 students and 6 teachers attended the meeting. The whole programme was over by 11.30 a.m

The department of chemistry, Sahrdaya college of Advanced Studies along with IQAC, organized a seminar on Food safety aspects and common methods for detection of adulteration on 21/02/2021 at 02.30 pm in connection with National science day. Dr. Rekha A (Food Safety Officer, Chalakudy circle) was the resource person .The program was started with a prayer followed by welcome speech of Dr. K.L. Joy (Vice Principal & HOD Chemistry).

Fr.. Dr. Devis Chenginiyadan (Executive director, Sahrdaya College of Advanced Studies) inaugurated the program with his presidential address. Dr. Mathew Paul Ukken (Principal) gave the message for students. Dr. Rani M.J. (Vice Principal) delivered the felicitation addresses. After the felicitation, resource person provided the talk and it was very informative and interesting one.She gave a detailed explanation about different adulteration methods, it was very useful session for students for their further studies. Ms. Nivitha Varghese (II.BSc Chemistry student, Sahrdaya College of Advanced studies) gave the vote of thanks. Around 80 participants took part in this seminar.

DEPARTMENT OF MATHEMATICS

The Department of Mathematics organized "TILASTOT2021, observing National Statistics Day on June 29, 2021. As a part of this, the Department conducted a poster-making competition for the students of SCAS on the topic "Covid- 19 Pandemic and Statistics". The winners of the competition are:

- First prize: Megha C. M., V semester B.Sc. Geology
- Second prize: Anagha S., II semester B.Sc. CS.

Cash awards of Rs. 750/- and 500/- were given to the prize winners respectively.

The Department also conducted a webinar for the second semester B.Sc. CS, Psychology and Mathematics and V semester B.Sc. Mathematics students of SCAS on "Legacy of Statistics in India, Opportunities & Careers" by Dr. Krishna E., Rtd. Associate Professor in Statistics, St. Joseph's College for Women, Alappuzha and former faculty of Department of Mathematics, SCAS, through Zoom. Vice- principal and Head of the Department Dr. Rani M. J. welcomed, followed by the presidential address by Executive Director Rev. Dr. Devis Chenginiyadan. Principal Dr. Mathew Paul Ukken and former principal Dr. Jenson P. O. addressed the audience. The talk by Dr. Krishna E. dealt with the life of the Indian Statistician P. C. Mahalanobis, introduced famous Indian statisticians, and detailed the career scope for Statistics. She also provided a list of courses and colleges in which one can pursue higher education in Statistics.

2. The Department of Mathematics organized its inauguration for the academic year 2021-'22 through online mode on August 16, 2021 at 1.40 p.m. The chief guest of the day was Dr. Vijaykumar Ambat, Emeritus Professor of CUSAT. HOD Dr. Rani MJ welcomed the gathering and Rev. Dr. Devis Chenginiyadan, Principal Dr. Mathew Paul Ukken felicitated over the function. Association report of previous two academic year was presented. After the inaugural session, a talk was delivered by Dr. Vijaykumar Ambat, on what to do after studying Mathematics.
3. On behalf of World Photography Day on August 19, the Department of Mathematics of SCAS organized a Photography Competition, REFLECTION, for the students of the college on the topic "PRACTICAL MATHEMATICS, mathematics that you see around you". Students were asked to upload the photo with a title and description along with their name, class and a photo of their ID card in the google form. The results are as follows:
 - First Prize: Sona Ginish, III Sem B. Com ACCA
 - Second Prize: Mimsi Mubarak, V Sem B.Sc. Physics
 - Third Prize: Akhil Prasannakumar, III Sem, B.Sc. Geology

The winners were given a merit certificate and cash prizes as the First prize: Rs. 500/-, Second prize: Rs. 300/-, Third prize: Rs. 200/-.

A discussion of the photographs uploaded by the participants was conducted among the students of the Department of Mathematics on September 17, 2021 at 1.00 p.m.

4. On behalf of the MATHEMA 2021, observing National Mathematics Day on December 22, the Department of Mathematics, SCAS organized various competitions for the students of SCAS. The quiz competition was held in Room number 225. Chaitanya Krishna and Deepthi Thankachan of third year B.Sc. Mathematics secured first and second position and Arya M. S. of first year B.Sc. Physics bagged the third prize.

A sudoku competition was also organized by the department. The competition was to complete the sudoku puzzle within the shortest possible time. Selin Freya of first year B.Sc. Mathematics, Chaitanya Krishna of third year B.Sc. Mathematics and Ishma Denson of first year B.Sc. Mathematics bagged the first second and third prizes, respectively. The paper presentation competition was also organized by the department. The competition had only one entry and the entry was given a consolation prize. The participant Midhun Babu of first year BCA presented the PPT on December 22, 2021 at 1.30 p.m. at room number 301.

On behalf of observing Science Day, SPECTRA 2022, on February 28, 2022, the Department of Mathematics, along with other science departments of SCAS organized 'Essay Writing' competition and 'Calculate the Integral' competition. Registration was done with Google forms (link: <https://forms.gle/xRhWr3UhHCs3GeYu5>). The topic for Essay Writing competition was "Is Mathematics, Queen of Sciences?". The competition was open to all the students of SCAS. Students were asked to send their entries to scasdeptmaths@gmail.com on or before February 27, 2022. The winners of the competition are:

- First: Devika Vijayan, II M.Sc. Clinical Psychology
- Second: Sreyas Krishna, II B.Sc. C. S.

The Calculate the Integral competition was also open to all the students of SCAS. The competition was held on February 28, 2022, at Room No. 201 in the Admin Block (II year B.Sc. Mathematics class) at 11.00 a.m. 7 students participated in the competition. The competition consisted of questions to calculate integrals in the stipulated time. The one who did the maximum was declared the winner. The result of the competition is as follows:

- First: Chaitanya Krishna, III B.Sc. Mathematics
- Second: Smrithi, III B.Sc. Mathematics
- Third: Deepthi Thankachan, III B.Sc. Mathematics

The prizes for the competition were given at the official meeting of the SPECTRA 2022, observing National Science Day on March 2, 2022.

Department of Mathematics conducted an online Alumni Meet on 6th March, 2021 at 7 pm. 40 students participated in that programme including the faculty members. Various students of the 5 passed out batches joined and shared their memories and experiences. HOD Dr. Rani M. J. interacted with the students along with other faculty members.

The Department of Mathematics, SCAS has organized a Pi Approximation competition on behalf of Pi- Day on March 14, 2022 at 1.00 p.m. in the I year class (Room No.: 202). The students were asked to write the approximate value of Pi on a paper within 2 minutes and the winner is the one who writes the maximum digits in the correct approximation. The winners were as follows:

- First Prize: Deepthi Thankachan (III year B.Sc. Mathematics)
- Second Prize: Devadhathan P. M. (I year B.Sc. C.S.)
Athul Krishna K. R. (I year B.Sc. C.S.)
- Third Prize: Amrithes P. (I year B.Sc. Chemistry)

Prizes were distributed to the students during the inaugural session of the one-day seminar conducted on March 23, 2022

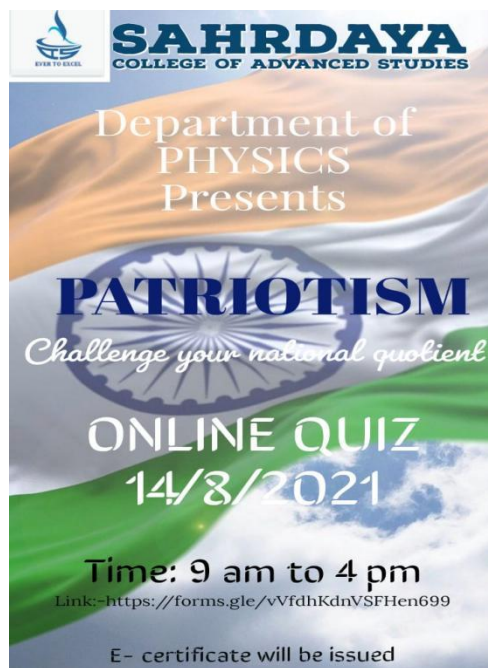

The Department of Mathematics, SCAS has organized a One-Day seminar on "Introduction to Metric Spaces" on Wednesday, March 23, 2022 at 10.20 a.m. in the Decennial Hall (Room No.: 425). The speaker was Dr. Sabna K. S., Assistant Professor, KKTM College, Pullut. The session was inaugurated by the Executive Director of SCAS, Rev. Dr. Devis Chenginiyadan. Dr. Mathew Paul Ukken, Principal, SCAS felicitated over the function. The prizes for the winners of the Pi- Approximation Competition conducted by the department were given by the dignitaries. After the official meeting, the speaker gave the talk on Introduction to Metric Spaces, introduced the term distance between 2 points, generalized the concept to the metric and provided examples of the same, like taxi cab geometry.

DEPARTMENT OF PHYSICS

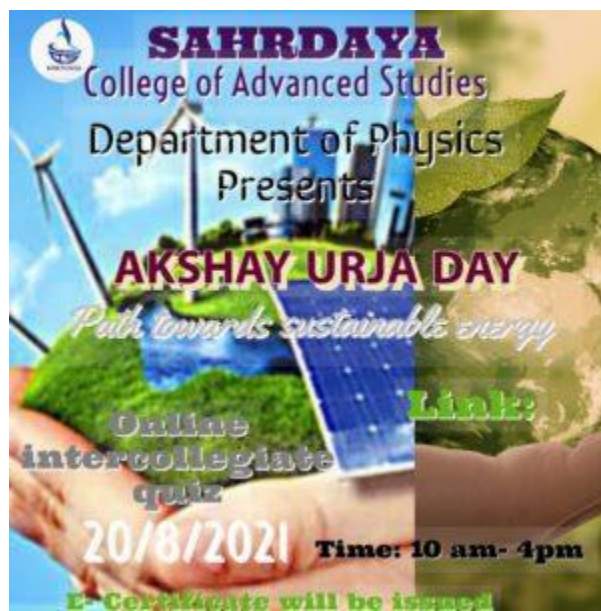

Department of Physics celebrated World Asteroid Day on June 31, 2021 to make awareness about asteroids and their impacts on our solar system. Second year B.Sc Physics students conducted the program. Agnes C J and Anjana A. did power point presentation.

Department of Physics conducted an online quiz competition “PATRIOTISM Challenge Your National Quotient” through Google form in connection with Independence Day on August 15, 2021. 139 responses got and those who scored above 60% issued an E-certificate.

On the behalf of Indian Akshay Urja Day, Department of Physics conducted an online intercollegiate quiz competition “Indian Akshay Urja Day – Path towards sustainable energy” through Google form in August 20, 2021. Total of 66 responses got from various colleges and those who scored above 60% issued an E-certificate.

PTA meeting of fifth semester BSC Physics was conducted on 25th August 2021 (Wednesday) from 10 am to 11.10 am through Google platform .The official function began with a silent prayer . Prof. K P Chandrasekharan ,HOD of physics welcomed the gathering .The academic briefing was done by Ms. Esmi Davis (class animator). After that there was an open discussion session with parents and teachers. All parents actively participated in that session and they are very much satisfied with the classes conducted through online. Few of them shared their net issues and health problems. Out of 16, 14 parents attended the meeting . The session concluded with a vote of thanks by Ms. Megha P s(Program co coordinator) at 11.10 am.

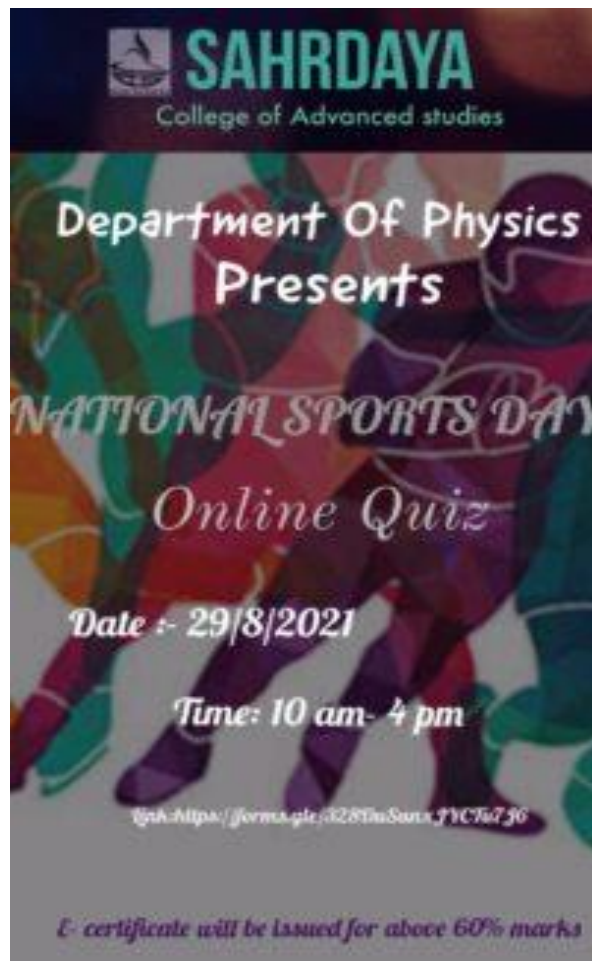

PTA meeting of Third semester BSC Physics was conducted on 27th August 2021 (Friday) from 10 am to 11.10 am through Google platform .The official function began with a silent prayer . Prof. K P Chandrasekharan ,HOD of physics welcomed the gathering .The academic briefing was done by Ms. Megha P S (class animator). Department of Physics conducted a virtual Onam celebration on 20th August 2021 from 10 am to 12 pm through Google meet. Third Bsc Physics students were the organizers of the event named “KOTTUM KURAVAYUM”. The function began at 10 am with melodious onam song by Athira N R (3rd BSC student). Prof. K P Chandrasekharan, HOD of the Department inaugurated the function with an auspicious message related to onam. After that there was a beautiful dance performance by Gouri Nandana (2nd BSC Student). Onam message given by Prof. Varghese P Kodamkandath . Then there was a Onam song by Anjana A (2nd BSC student). To increase student’s enthusiasm Ms .Kavya M R (Faculty) performed a song and MS. Esmi Davis (Faculty)

performed a monoact. After these performances there was an onam message delivered by Shansheena M A (2nd Dc student). Next performance was a special song by Sivanya menon, daughter of Kavya miss increased the cutness of the event and which followed a monact by Shanheena M A. The next was games session leaded by Asif Muhammad, Swathy Sajith and Winny Raphy (3RD DC students) and all the members including faculties participated in the event and the joyful session ended with a vote of thanks by Asif muhammed (3rd Dc student) at 12 pm. There were around 40 participants in the event.

In connection with national sports day and small industrial day, department of physics conducted an online quiz on 29 August 2021 from 10 am to 4 pm through Google forms. Quiz that covered sports and small industrial details. Around 50 participants were there in the quiz. The participants who scored 60% marks provided E-Certificates.

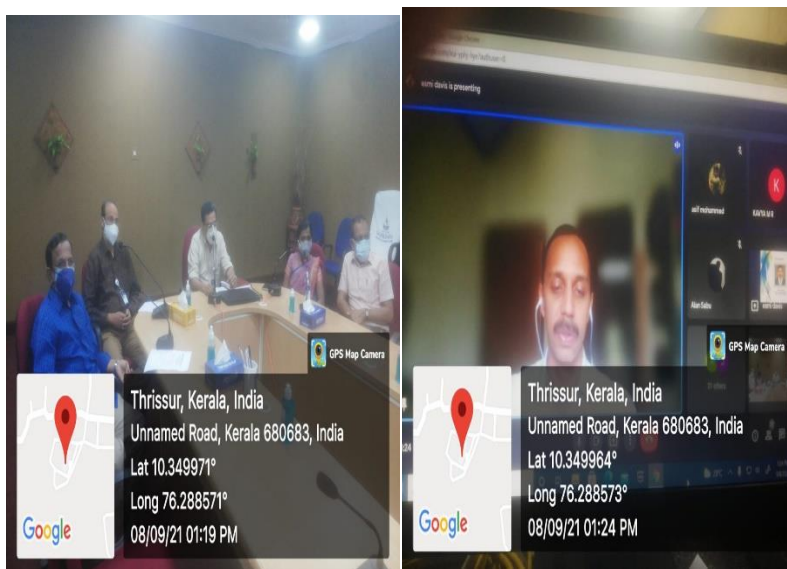

In connection with Teachers day celebration on 5th September 2021, department of physics conducted a online PPT through Google platform at 11 am. All the faculty members and students of the department attended the meeting. PPT was done by 3rd year students:- Milin A Manu and Akshay K Ajay. The session was concluded with a vote of thanks by Ms. Kavya M R.

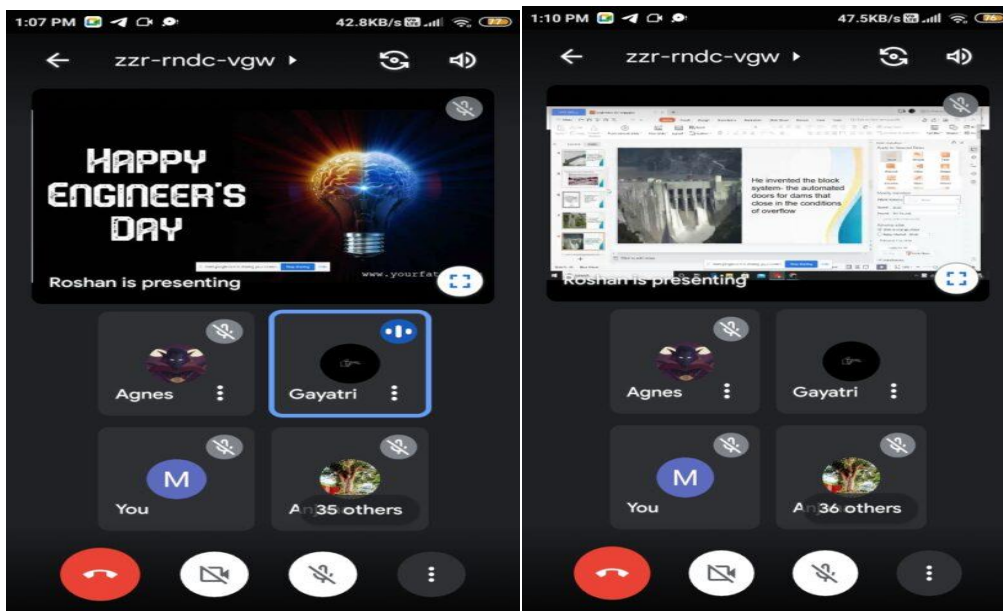

The Physics Association Inauguration “SPACE 2K21” was officially inaugurated by Dr.Nijo Varghese, HOD, SH College, Chalakudy on 8th September 2021(Wednesday) at 1 pm in Audio Visual Room through Google meet.

The event started with prayer by Anju V R (3rd B.Sc Physics). Prof K P Chandrasekharan, HOD of our department welcomed the gathering Ms Megha P S, Program Coordinator presented the department activities of the academic year 2020-2021. Due to the absence of Rev Dr Devis Chenginiyadan (Executive Director), Dr Mathew Paul Ukken (Principal) holds the presidential address over the session. He wished good luck for the all-coming activities of the department. Dr K L Joy (Vice Principal) felicitated over the session. Jyothika Mohan made introduction to the resource person (3rd B.Sc Physics). After that, the chief guest Dr Nijo Varghese on the topic “The Universe As We Know It” delivered a talk. It was a wonderful session. Winny Raphy (3rd B.Sc Physics) shared the talk experience and gratitude to the resource person. The department bearers elected were: Association Secretary: Asif Mohammed (3rd B.Sc Physics) Joint Secretary: Roshan T A (2nd B.Sc Physics). Treasurer: Winny Raphy (3rd B.Sc Physics) The session concluded with a vote of thanks by Ms Kavya M R (Asst. Professor). Asif Mohammed compered the entire session.

In connection with Engineer’s day on September 15, the students of second year Physics organized a power point presentation through Google meet. All the faculties and students of Physics department attended the meeting. Roshan T A and Gayathri P V of 2nd B.Sc Physics did the PowerPoint presentation. After that, Gourinandana T U (2nd year student) delivered a talk on the importance of Engineer’s day. Agnes C J (2nd year student) compered the entire session.

The department of Chemistry and Physics conducted an intercollegiate poster making competition in connection with ozone day. The theme for the competition was “Ozone for Life”.

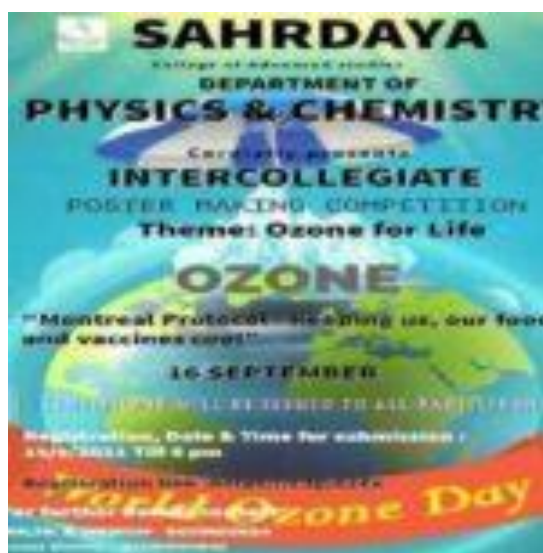

First, second and third prize winners for the competition are respectively,

. Megha C M-III B.Sc Geology (Sahrdaya College of Advanced studies, Kodakara)

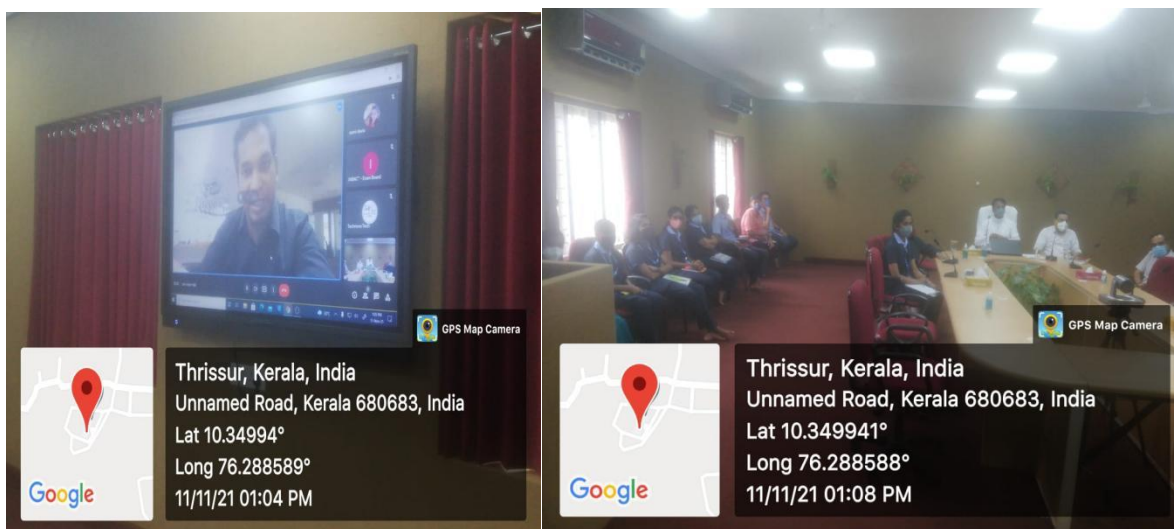

Hridhya P T-II B.Sc Chemistry (Sahrdaya College of Advanced studies, Kodakara)

Athira M- BA Economics (St.Joseph’s College, Irinjalakuda)

E-certificate was issued to all the participants.

On 11/11/2021, Department of Physics conducted the inauguration of add-on course at audiovisual room from 12.45 pm onwards. The students of first B.Sc Physics attended the meeting. The program began with a prayer by Nandhana S L and Amrutha C J. The Head of the department Prof. Chandrasekharan K P welcomed the gathering. Rev. Dr. Devis Chenginiyadan, Executive Director, gave the inaugural address. Dr. Mathew Paul Ukken, Principal felicitated over the program. The Chief Guest was Dr Ashok Veda, Senior-in-charge of IABAC. He gave an introduction to the add on course. IABAC Technova team is providing the course 'Data Science and Machine Learning'. The event concluded with a vote of thanks by Ms Megha P S, Programme Coordinator

In connection with World Television Day (November 21) the department of Physics organized a debate on 26th November 2021 for the first and second year BSc Physics students. The topic was “ Impact of television on youth : Positive or Negative “ . Albin J Kainadath of 2nd Year Physics was the moderator. The students were divided in to 2 groups . Team 1 discussed about the positive impacts and team 2 about the negative impacts. The moderator concluded that nowadays TV is useful & harmful both, but this depends on the nature of the youth or youth mind, behaviour, discipline etc. If the TV will be used carefully or timely, right way then youth can gain so many knowledge, information around us or world. But, if youth do not use timely the one who watches TV quite a day or addicted may cause the bad effects of TV .The students really enjoyed the session as they got an opportunity to express their ideas.

National Pollution control day is being celebrated on December 2, every year. Department of Physics conducted an awareness program based on this among first and second B.Sc Physics students. The presentation was conducted during the s4s period on 3rd December 2021. Amrutha C J and Bhavya Vijayan of 1st BSc physics jointly delivered talks on “Why we are observing pollution control day “ & “The needs to control pollution “ .The power point was made by Emit Jaison of 1st BSc Physics . The students shared their thoughts and ideas on effective pollution control measures.

Fifth semester BSc Physics PTA was conducted on 14-12-21, Tuesday afternoon in the college Seminar hall. At 1.00pm registration started at the registration desk. The parents of the students started arriving from 1.00 pm onwards. The Dias was filled with the college dignitaries. The meeting started with a prayer. The Head of the Department of Physics Prof. Chandrasekharan K P gave a welcome note to all present in the hall. Executive Director, Fr. Dr. Devis Chenginiyadan made the Presidential address where he made a key note on a better understanding between the parent's expectations and their wards opportunities. The Principal, Dr. Mathew Paul Ukken gave an overall view on the academics. The Vice Principal, Dr. Rani M.J gave an overall view on the non-academics. The Class Animator, Ms. Esmi Davis gave an overview of the 3rd year academic details. Parents were shown a PPT, which included result analysis of 1st and 2nd internal exams, Attendance, Add on course etc. The result analysis of 1st semester University exam result was also graphed and the toppers were appreciated with a thunderous applause. Soon after a short tea break, the forum was opened for a PTA representative election. The audience elected Mr. Manoj V R, father of Daya V M (3rd B Sc Physics) and Mrs.Lissy K, Mother of Milin M Manu(3rd Bsc Physics). Eventually, the PTA

meeting got formally concluded with a Vote of Thanks by Prof. Davis K J, Head of the department of Geology and let the forum disperse for parents to evaluate the academic progress of their wards by having a face to face meet with HOD, Class Animator and all the teachers engaging the 3rd year classes. Thus the meeting successfully got concluded at 4 pm with a good participation of the parents.

Department of Physics along with IIC (Institution's Innovation Council) conducted a short Video making competition in connection with Energy conservation day. Consolation prize was given to Bipin K B of 1st BSc Physics.

The PTA meeting of 2nd year BSc Physics was conducted on 21/02/2022 at 9.00 am in the seminar hall. The official meeting concluded at 11.00 am and the parents were able to meet the teachers in person in the respective classes. The parents of 2nd year BSc Physics met the teachers in room number 204(2nd year Physics class) from 11.15 am onwards. Prof. Chandrasekharan K P, Head of the department of Physics addressed the parents and students. The class animator Ms. Megha P S gave a briefing on the academics of the third and fourth semesters. Other faculty members who engage the classes for different subjects were also present. The meeting concluded at 12.30 pm.

In connection with science day department of physics conducted a science fest spectra 2022 along with all science departments of SCAS. Department organized a Science fiction movie review writing contest "YOUR FICTIONAL VISION" and a "PHOTOGRAPHY COMPETITION: CAN YOU FIND PHYSICS IN NATURE" as a part of Science fest.

Winners list:-

PHOTOGRAPHY COMPETITION

FIRST:- Mimsy Mubarak (3rd BSc Physics)

Second- Amrithes P (1st Bsc Chemistry)

Third- Christeena Thankachan (1st MSc Psychology)

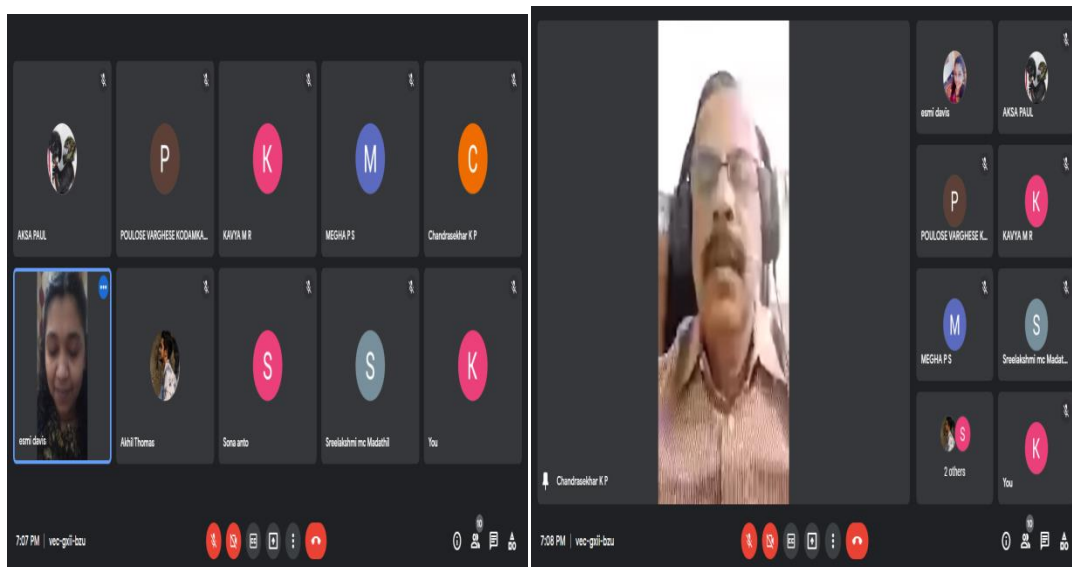

MOVIE REVIEW COMPETITION

First- Nandhana S L (1st Bsc Physics)

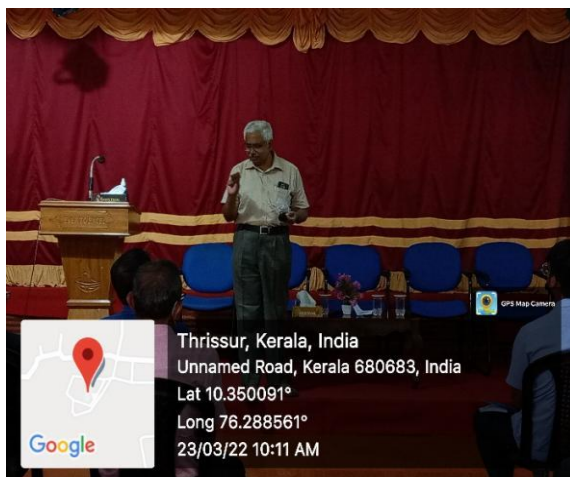

Second – Neha Nair (2nd MSc Clinical Psychology)

Third – Sreyas Krishna (2nd BSc Computer Science)

Department of Physics conducted the Alumni meet 2K22 on 13/03/2022 at 7.00 pm through Google meet. Students from 2015 batch onwards were there. As usual, the meeting started with silent prayer. HOD of the department Prof. K P Chandrasekharan welcomed all for the meeting. Those who joined the meeting made a self-introduction. Sona Anto, one of the alumni member shared her thoughts and experience. Aksa Paul presented a video on memories of their college life. Alumni president and secretary was elected and are Akhil Thomas of 2017 batch and Aksa Paul of 2018 batch respectively. The meeting winded up with the vote of thanks by Ms Megha P S, Assistant Professor of Department of Physics. It was a wonderful session as it increased the bondage between the students and teachers.

Department of Physics conducted a seminar on the topic “UNIQUE PROPERTIES OF COMMON ELEMENTS” on 23/03/2022 at seminar hall at 9.30 am onwards. Dr. Shaju K Albert, Former Director, Metallurgy and materials group, IGCAR Kalpakkam was the resource person. The programme started with a prayer by Anjana A (2nd BSc Physics). Prof K P Chandrasekharan, HOD, Department of Physics welcomed the gathering. Fr. Dr Devis Chenginiyadan, Executive director, Sahrdaya College of Advanced Studies delivered the presidential address. Official inauguration was done by Dr Shaju K Albert. Felicitation was done by Dr Mathew Paul Ukken, Principal SCAS. Jyothika Mohan (3rd BSc Physics) introduced the resource person. Chief Guest made a wonderful talk about the properties of common elements. The talk was really informative to both students and faculties. Winny Raphy (3rd BSc Physics) expressed the gratitude towards the resource person. The programme came to an end with a vote of thanks by Ms Esmi Davis, Assistant Professor, Department of Physics.
